FREE
VIRTUAL
CONFERENCE

*Zoom meeting invite will be
emailed once you have registered*

**LESLIE
MCGRANAHAN**

*Vice President and Director of Regional Research
Federal Reserve Bank of Chicago
Economic Research Department*

Economic Outlook for 2021 and 2022

Ms. McGranahan's primary research interests relate to the effects of federal, state and local government policy on individuals and households. She has written about numerous government programs including the Earned Income Tax Credit, Child Tax Credit, Supplemental Nutritional Assistance Program, and sales tax. She also closely follows regional and national developments in government spending and revenues.

McGranahan's research has been published in journals including National Tax Journal and the Journal of Political Economy. Her work has also been featured in the Chicago Fed Letter and Economic Perspectives, Federal Reserve Bank of Chicago publications.
